TOURNAMENT OVERVIEW AND SCHEDULE

This season brings some major changes to the event, formerly known as the Pepsi Championships. We have a new name, and a new sponsor. Here are some bullet points on the changes, but please read the rules and understand them before entering your bowlers. Any questions please feel free to reach out to the State Tournament Director.

- Bowlers will now have to enter only once and will automatically be entered in both the Scratch Youth Championships and Handicap Singles
 - One entry fee, only need to bowl one time, entered in both events. Saves time and ends confusion for parents and bowlers over which event they are bowling.
- More divisions in the Scratch event, now six total, U8, U10, U12, U14, U16 and U18. U14 and U16 replace the U15 division.
- No changes in the Handicap divisions
- All bowlers will be required to submit an average and proof thereof for the handicap event.
- State Finals now held earlier in the year, (see new date below), this change was required by USBC.

CENTERS/LEAGUES may run a qualifier tournament using league scores to advance bowlers in this tournament, as long as those that don't qualify this way are given the opportunity to enter as well. If you use this method, we suggest paying all or part of the entry fee for those that qualify.

REFUNDS: Refunds will only be granted up to the closing date for advanced entries. All refunds are at the discretion of the state tournament director. NO REFUNDS for no shows at the event. The processing fee portion of the entry fee is not refundable under any circumstance. Refunds must be requested through the State Tournament director and must be in writing. All refunds will be refunded after all Regionals have concluded.
