Qualifying Lane Rotation

Qualifying play will consist of six - four game Baker sets, for a total of 24 Baker games. Games 21-24 will be a position round.

The men will be using lanes 3-18 during competition and the women will be using lanes 25-40 for their competition.

Lane assignments were drawn at random by the ITC team at USBC Headquarters. Each team will bowl 4 baker games on one pair of lanes.

Games one and two will be on one lane and the team will move to the next lane on the same pair to bowl games three and four.
