WHAT IS THE BOWLING COMBINE® - 2021 ATHLETE ASSESSMENT PROGRAM?

The Bowling Combine® - 2021 Athlete Assessment Program is an avenue for young bowlers to be evaluated using today's most objective standards and have their results shared and analyzed by collegiate coaches interested in potential student-athletes.

The world-class coaches at the ITRC will use state-of-the-art technology to assess sport-specific skills, overall athleticism and the "IT" factor of all athletes. **This is not a coaching clinic, but an evaluation of your game** so you can learn your strengths and weaknesses.

HOW CAN YOU BE A PART OF THE BOWLING COMBINE® - 2021 ATHLETE ASSESSMENT PROGRAM?

The Bowling Combine® - 2021 Athlete Assessment Program is open to athletes who have collegiate eligibility remaining and have at least enrolled for their freshman year in high school. The Bowling Combine® - 2021 Athlete Assessment Program is limited to 96 total participants (48 female and 48 male).

Applications for participation are available at BOWL.com/Combine. The application deadline is May 16, 2021.

Upon acceptance, the cost is \$200.

Don't wait!
